# Uniform Details

## Little League Cheer Uniform

The uniform is a mandatory purchase for all participants. The uniform is everything your cheerleader needs to be game ready! The uniform consists of:

- Hair Bow
- Embroidered Shell (Top)
- Skirt
- Briefs
- Socks
- Shoes

The uniform is ordered before practices start, so we have plenty of time for exchanges!

The uniform fee is \$150. This fee will be due on our Uniform Sizing Day! The Uniform Sizing Day is when all of our athletes come in throughout a day to Fitness Made Fun to be sized and order their uniforms.

On Friday, June 13th from 4-7 pm to Fitness Made Fun, where our practices are held for the Uniform Sizing Day. At this time athletes will be sized for their uniform, pay for the uniform, and confirm their registration for the program.

Returning athletes must have the current uniform style, so all our girls can look like a team! Returning athletes may not have to order a full new uniform if current style pieces from last year currently fit. A price breakdown will be sent out to returning students closer to the Uniform Sizing Day.

# How to Register

**To register for the Little League Cheer program, please follow the following steps! We are so excited to have your kiddo cheer with us this summer! Please remember that there are no refunds for this program.**

## Step One

Read through this entire program packet before going on to step two of registration. We want you to know everything about our program before registering. This helps avoid unwanted surprises! Have any questions? Email [unionlittleleaguecheer@gmail.com](mailto:unionlittleleaguecheer@gmail.com) and we are happy to answer any questions you may have!

## Step Two

Once you've read through the entire program packet and have had your questions answered, head over to [www.ullcheer.com](http://www.ullcheer.com) to register by filling out an online registration form.

Please keep in mind that the Little League Cheer program has limited spots available.

## Step Three

Once we have received your online registration form, we will be able to see whether there is a spot available for your child. You will receive an email confirmation on whether your child's spot was saved or if they have been put on the waitlist. Please allow up to 48 hours to receive this email.

If your athlete was able to secure a spot on the squad, your confirmation email will explain this and give you instructions on how to pay for the registration fee online. Your registration will not be completed until your registration fee has been paid.

If your athlete was unable to secure a spot on the squad, meaning that the squad they would need to be in is already full, we will place them on the waitlist for the squad. You will still receive an email explaining this. Spots open up and depending on numbers, we may be able to open a second squad up to allow more cheerleaders to participate!
